When you research crypto assets, you may run into a special type of price graph called a candlestick chart. So its good to take a little time to learn how these work. Similar to more familiar line and bar graphs, candlesticks show time across the horizontal axis, and price data on the vertical axis.

Candlestick charts are a major part of reading crypto charts. Every candle has a main body in either of the colors. You can also see single lines protruding from above and below the main body, called shadows. The body shows the opening and closing prices, and the shadows depict how high or low these starting and closing prices have risen or fallen.

Binance futures are crypto futures that enable traders to trade digital currencies without actually possessing the underlying assets. Futures in cryptocurrency work similarly to futures in equities and stock indices. Binance futures derive their future price from the underlying crypto asset, like Bitcoin, Ethereum, Bitcoin Cash, Litecoin, etc.

Being able to read a candlestick chart is one of the most valuable skills you can have as a trader. Candlestick patterns are widely used to represent trading prices in the crypto market. Whether youre taking a long-term

investing approach or day trading, knowing how to read candlestick charts is essential.

With candlesticks, you can get clues and insights from the price action as well as the general mood of the market for that asset. As time progresses, multiple candlesticks create larger patterns that crypto traders derive signals from to make vital trading decisions. At first, candlesticks may be a little difficult to understand.

Futures contracts on Binance are intuitively designed and easy to use, making them ideal for beginners. A key benefit of futures contracts, particularly the USD-margined contracts, is that you can easily calculate their returns in fiat. For example, when you make 500 USDT in profit, you can easily estimate that the profit is worth approximately \$500 - since the value of 1 USDT is pegged closely to 1 USD.
