Okcoin Review Crypto Platform For New Investors

When you reach out to Okcoin, you might encounter mediocre customer service. The average score on Trustpilot is 3.8 out of 5 stars, that's with several hundred customer reviews. Plus, The College Investor team had a difficult time receiving timely responses to questions.

Our OKCoin review has found that while OKCoin has not been hacked, OKEx was hacked when they were still owned by OKCoin in 2017. Otherwise there have been no security issues with OKCoin. That said, their security standards are much in line with the rest of the industry.
