If you have tried day trading or watched somebody else day trade, you already know the concepts are simple, but being successful at day trading is like walking a tightrope. If you watch somebody doing it they make it look easy, but when you try it, it seems nearly impossible. This is the experience most new day traders will go through.

The best times to day trade. Day traders need liquidity and volatility, and the stock market offers those most frequently in the hours after it opens, from 9:30 a.m. to about noon ET, and then in .
