Online trading is quick and easy, but online investing takes time. With the click of a mouse, you can buy and sell stocks from one of the many online brokers offering low-cost trades. Although online trading saves investors time and money, it does not take the homework out of making investment decisions. You may be able to make a fast trade, but making wise investment decisions takes time.

Money market funds, like mutual funds, are neither FDIC-insured nor guaranteed by the U.S. government or government agency and are not deposits or obligations of, or guaranteed by, any bank. Although certain money market funds seek to preserve their value of your investment at \$1 per share, it is possible to lose money by investing in such a fund.
