A day trading strategy must include entry and exit signals; in other words, when to get into a position and when to get out of it (request a demo on the right to get free access to an award winning signals software that will visually show you where to buy and sell).

Ftx offers Lending where we can lend out crypto to maintain an interest rate. As with the below diagram at this time we can see funding rates are exceedingly high. Its very easy to buy on average and stake through this method to increase exposure and allow us to build a larger position over a short period of time.

You can select from 3 types of day trading signals: Providers. These include both individual experts and companies distributingsuch notifications via their own websites, Telegram channels, or other communication means.
