Rubic's routing system is now live! Today we are happy to introduce Rubic's routing system for BSC and Ethereum networks! This solution will allow users to trade for any pair on these networks! However

the main advantage is the ability to calculate gas price and show users the best optimised solution with paying the least amount of gas.

Go to the Payment Methods section. Select Add a payment method> Bank Account> Continue. On the new page, you can see the list of active banks and you can select anyone in which you have an account. Now enter your banking information. After completing this information, your bank account will be linked to the exchange and you can use it immediately.
