Innovation Zone. Our team has created the Innovation Zone, which will allow users to trade newer token offerings from the comfort of their Binance account, while at the same time protecting less suited users from being exposed to the risk that comes with trading them. What led us to create the Innovation Zone is our dedication to giving Binance users a safe place to trade new, innovative projects.

Of DEXs Via Innovation Zone, Binance can provide their users to a easy and safer space for accessing newer tokens that will likely have higher volatility than other regular tokens. Thus, binance will able to prevent more untoward scenarios for users who just want to access and investment certain projects.
