For most Forex brokers, the spread on EUR/USD is 1 pip. But on a copy trading platform, you might pay 2 to 3 pips more. But dont take my words for it because you can compare the spreads of a normal Forex broker with a copy trading platform and youll see the difference. So, whats the implication? Two things.

The international money markets major responsibility is to handle the currency trading between the countries. This process of trading a countrys currency with another one is also known as forex trading. Unlike share markets, the international money market sees very large funds transfer. The players of the market are not individuals; they are very big financial institutions.
