Cryptocurrency ETFs make it just as easy to invest in Bitcoin as it is to buy popular stocks. There are now several cryptocurrency-themed ETFs out there, and that number continues to grow.

The opportunity to become the dominant social network, social media blockchain rather, is so huge that there are many others vying for that crown. The safest strategy of all would be to get a small allocation to a few different social media blockchains so that you've a higher chance of having a position in whichever one or group of networks wins out.
