eToro Copy Systems Explained. eToro's social features are what makes our platform unique in the online trading space. Both the CopyTrader system and SmartPortfolios investment strategies lean on eToro's user-base, which numbers over 20 million users from 140 countries, and are designed to help traders explore new ways to generate profit.

The eToro platform is becoming more and more popular these days and the reason for that is that it represents a truly innovative service, which allows you to easily operate on the trade market and keep all your options under control. On eToro you can trade with currencies, forex, stock options, and commodities.

The platform is ideal for crypto beginners giving them a familiar interface to trade other conventional financial

instruments such as stocks, commodities, ETF ( Exchange Traded Funds ), and Options. The platform has over 13 million users already, which proves its popularity.
