As of mid-2017, Coinbase was supporting translations in eight languages and operating in 32 countries, mostly in Europe and North America. However, as our international growth accelerated in 2018, our engineering team began facing technical limitations that would hinder our international strategy, thereby limiting our ability to make crypto accessible to all.

XRPL Coins was created to provide a community driven platform bringing live pricing, tools, and resources to those building and investing in the XRP Ledger. We empower the community with accurate, unbiased information retrieved directly from the XPR Ledger, which is necessary to make more educated decisions.
